

ART TO WEAR!

We'll use a variety of materials & media to make Art that can be worn. Our projects will include:

- Mixed media t-shirts--We'll use fabric paints, dyes and several different types of embellishments (fringe, studs, etc.) to create a wearable work of art! 1 shirt is included in the class cost.
- Jewelry--We'll make beads and pendants out of polymer clay and use various findings to make jewelry. If you don't want to wear it, then make something to play with (chess set figures? Tell me your idea...)!

The instructor: Linda Lemon has been working with Mixed Media & Handmade Paper for ten years, and shows her work extensively. She teaches Papermaking and art/craft classes in several after-school programs, and conducts workshops and classes in her own studio.
